Travel Itinerary

Read! Read! Read! Your travel plans are to read from at least three genres, but read as many you can. After you complete a book, log it in your Summer Reading Passport!

Bring your passport to your fourth grade teacher during the first week of school. Passports will be placed on a special September bulletin board, and you will receive a free homework pass! Have Fun!

Summer Fun with Reflex!

Dear Parents/Guardians,

Help your child avoid the “summer slide” and encourage them to use their Reflex account this summer! Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

- Students are encouraged to login to **Reflex** math through their student portal at least 3 times a week and strive for the “**green light**” each time.
- Your child can utilize the **Reflex** math program from any device with internet access throughout the summer.
- **Reflex** helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.
- **Reflex** continuously monitors your child’s performance to create an optimal experience for them.
- Parents can easily monitor their child’s progress by creating a *Free Reflex Parent Account*. Use the instructions on the right to Create your Parent Account.

Create a Free Parent Account

To set up an account, you will need your child’s Reflex login information: (teacher’s Reflex Username, the name of the Reflex Class, and your child’s Reflex Password).

1. Go to reflexmath.com/parent
2. Follow The onscreen instructions to create your free account
3. Go to www.reflexmath.com/reports
4. Once you are logged, follow the instructions to add your child.
5. Once registered, launch the parent account at www.reflexmath.com/reports to log into your new account. Enter your Username (your email address) and Password and click Submit.

If you have any questions about Reflex, you may contact ExploreLearning directly, via email at support@explorellearning.com or by phone at 866-882-4141

*Please see chart on reverse side for more information. *The table below explains the levels of *Reflex Math* and the district fact fluency goals at each grade level.

Reflex Math Levels		Denville Township Schools FACT FLUENCY GOALS	
Level 1 Students enrolled in	Addition & Subtraction	Grade K	Plus 0, Plus 1, Doubles & Ten Pairs
Grades K-2	(Addends to 10)	Grade 1	Sums to 10
		Grade 2	Sums to 20
Level 2 Students enrolled in Grade 3	Multiplication & Division (Factors 0-10)	Grade 3	Factors 0 to 10
Level 3 Students enrolled in Grades 4-5	Multiplication & Division (Factors 0-12)	Grade 4	Factors 0 to 12
		Grade 5	Factors 0 to 12

UPDATED Information about the Green Light!

- ✓ When the Green Light illuminates in the upper right hand corner, this indicates that the **Daily Usage Requirement** has been met.
- ✓ If students do not reach the Green Light in their first session of the day, they can login later to build on the progress they made earlier in the day.
- ✓ Typically, students reach the green light in **15 minutes** of concentrated use. Students can choose to continue working after the Green Light illuminates.
- ✓ **New games** are unlocked after a certain number of Green-Light sessions.
