Parents/Guardians Transportation November 30, 2018

Due to a shortage of school bus drivers, the Denville Board of Education will be contracting with a local transportation coop and/or a local school district to transport one or more bus routes. The arrangement may involve drivers from other districts driving a Denville bus and/or a contracted driver using the coop's buses. If you have any questions or comments please contact transportation at transportation@denville.org or 973-983-6530 Ext 2410.
