

Virtual Parent Information Meeting

Thursday, April 23rd, 2020 @ 11AM - 12 Noon

For parents and guardians who missed the first Parent Information Meeting on April 2nd, we are offering a second meeting. This meeting will review the same information as the April 2nd meeting. It will address the many resources that Denville Schools is using for remote learning. We will review our website, contacts, parent portal, Google Classroom and Google Meet.

**If possible please access the meeting with your child's Denville email address. This will allow for more participants based on Google Meet limitations.

How to Join the the Hangouts Meeting:

Free direct access is available by clicking on the link below or via telephone:
