2023 Summer Independent Reading Rising Grades 7-8

Dear Families,

Summer is a time for leisure and relaxation. It is, therefore, an excellent opportunity to engage in some leisurely and relaxing reading. The Denville Township School District believes that encouraging students to read year-round is a key element in the development of lifelong learners.

This year, we are asking that students, along with their families, carefully choose the titles that will most interest them. All books are free-choice, but should be independent-level appropriate. Students should take this as an opportunity to explore a subject or an author they are interested in. ***Students in rising grades 7-8 should read at least 2 novels or chapter books.***

****You can find a description of book levels and sample titles on our website under "Reading Levels" https://www.denville.org/curriculum_and_instruction/curriculum_and_programs/reading_levels***

The form below needs to be signed by parents as verification of reading completion. This will be the first homework grade of the new school year. Enjoy your summer and happy reading!

Please fill out, sign, and return the bottom portion to your teacher by the end of the first week of school.
